10. Ordinarily the Commission shall advertise the vacancies in such manner as the Commission may deem fit. A candidate must apply before such date and in such form as may be prescribed by the Commission. 12. A candidate must fulfil the age limits prescribed; Provided that—

14. A candidate must satisfy the Commission and the Commissioner or the General Manager, as the case may be, that his character and antecedents are such as to make him suitable for appointment to the service or department.

15. A candidate in whose case a certificate of eligibility is necessary may nevertheless be interviewed and also provisionally appointed, subject to his producing the necessary certificate within such time as may be allowed in this behalf by the Commission.

18. The decision of the Commission on the question whether a candidate does, or does not, satisfy the requirements of regulations 11, 12 and 13 shall be final.

20. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Corporation. A candidate who (after such physical examination as the appointing authority may prescribe) is found not to satisfy those requirements shall not be appointed.

21. A candidate must, at the time of application, pay such fee as the Commission may from time to time prescribe and must submit such proof of his qualifications as the Commission may require.

22. The particulars of all candidates together with the comments of the Commission as respects those who are considered by the Commission suitable for being called for interview shall be sent to the Commissioner or the General Manager, as the case may be, for his comments, if any. The comments shall be taken into consideration in finalising the preliminary selection of the candidates for interview. The Commission shall invite the Commissioner or the General Manager, as the case may be, to send a representative to sit on the Selection Board, should they decide to do so.

23. The Commissioner or the General Manager, as the case may be, shall place the advice of the Commission before the appointing authority.

24. If the appointing authority does not accept the advice of the Commission, the Commissioner or the General Manager, as the case may be, shall make a representation to the Commission setting out the reason for not accepting the advice and requesting them to reconsider their recommendation.

25. If the Commission consider that adequate ground do not exist for reconsidering their advice and do not change their original advice and the appointing authority is still unable to accept it, the matter shall be referred to the Central Government under sub-section (2) of Section 97.

26. The Commission shall be informed by the Commissioner or the General Manager, as the case may be, of action taken on its recommendation in all cases.
